

Hi Gifford,

While summer can be a slow time for some, ITNH is busier than ever. We have exciting new products about to launch, great upcoming events around the country and more! You can check it all out below. In addition to all that we are continually working on, we offer educational and tutorial content every month!"

Featured this month:

- **Upcoming Events!** Including the Graphics Pro Expo Long Beach!
- **New Product Alert!** Introducing Mimaki DTF Technology!
- **Promotion!** Special discounts on trade show unit printers!
- **Featured Video!** Rasterlink 7 Overview!
- **EDU Webinars!** Mimaki Rasterlink and Mutoh Vertelith!

## UPCOMING EVENTS

Coming up, ITNH will be at the **GPX** show on **August 17-19**, in Long Beach, CA, at the Long Beach Convention and Entertainment Center, Hall: A, booth 226. Come see Mimaki's all new UV Flatbed Printers, the **UJF-6042 MkII e** and the **UJF-7151 Plus II**. We'll also have Mutoh's

**Xpertjet 661UF**. This printer can print ADA compliant braille! Hopefully, you'll get a chance to see the equipment in action. If not, we're always happy to get some samples made up or have you come into one of our local showrooms for a demo.

For more upcoming events click [HERE](#).

For a Promo Code to waive the \$25 fee click [HERE](#).

## NEW PRODUCTS

The NEW **TXF150-75** is Mimaki's first DTF (direct-to-film) printer with a maximum printing width of 80 cm for producing DTF print transfer sheets. "PHT50" heat transfer pigment ink for DTF, consisting of five colors (CMYK and white), has acquired the ECO PASSPORT certification which is essential for obtaining the international safety standard for textile products "OEKO-TEX®".

The new printer also features Mimaki's NCU (Nozzle Check Unit)\*2 and NRS (Nozzle Recovery System)\*3 technologies that support stable operation. They ensure continuous printing without stopping the operation to support customers' productions.

For more information on the new product click [HERE](#).

## PROMOTIONS

Itnh currently has some Trade Show Printers available. There is the **Mimaki UJF6042**, The **Mimaki UJF7151**, and the **Mutoh XpertJet 661!!** Contact us for more information on the machines used at the GPX show.
