Textile Industrial Sign & Graphics

Every spring, ITNH exhibits at the International Sign Expo (ISA). This year was an absolute blockbuster and we are still recovering! After six years, the show was back in Orlando and there was great buzz all week. It was great to see so many customers and meet many more future customers.

At the show, we were proud to introduce the Mimaki UCJV330 Series Printer. For those who could not attend, you can check it out below along with so much more!

- **SPECIAL 3.9% FINANCING on MIMAKI equipment**!**
- **The New UCJV330 Series UV Roll Printers!**
- **ITNH BLOG for the Mimaki JFX600!**
- **Events Coming Up - 2nd Annual Boston Graphics Expo and the GPX Long Beach CA**
- **ITNH WEBINAR - A Mimaki UJF machine and software Q&A!**

Instructional Webinars

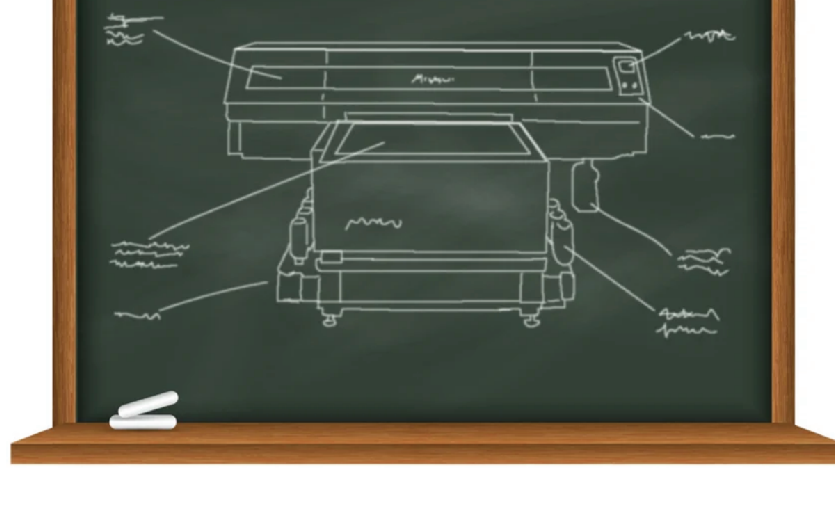

Mimaki UJF Machine and Software Q&A Webinar!

This month, our Application Team will be hosting a live chat in front of our demo Mimaki UJF printers. We'll be talking about the printers, the software and the applications. To steer the conversation, they want your questions! So, grab a coffee and join us for an hour of useful information. Bring any questions you have about using your Mimaki UJF printers!

We'll cover:

- Key features of Mimaki UJF printers
- Basic Rasterlink Features
- See the printers in action
- Answer questions asked during the live webinar.

WHEN: Tuesday, May 21 at 1:00 PM (est)
